A NEW MUSICAL

MOSES

and the burning within

Ever ancient and ever present, the songs and stories of *MOSES and the Burning Within* help us locate ourselves in the palm of God's merciful hand.

MOSES and the Burning Within is a musical in two acts adapted from the Book of Exodus and spans the time between Moses' birth and crossing the Red Sea.

This is the story of finding a home. And being at home, being at peace, means answering the call burning within your heart.
